## EMPLOYMENT HISTORY

### Web Content Specialist

Corsair Components (2019 June - 2019 Nov)

Created and maintained landing pages, product pages, and A++ content via CMS. Assisted in bug hunting, troubleshooting, and back end site migration with Jira software.

## EDUCATIONAL HISTORY

### University of California, Riverside

Bachelor of Digital Production  
Minor in General Business

- Public Relations, Highlander Gaming Club
- Product Tester for gaming peripheral company

## INTERESTS AND HOBBIES

In my free time I like to build websites/applications whenever I come up with an Idea! My current tech stack is NodeJS, React, MongoDB (if needed), HTML and CSS. I'm currently playing around with Chakra UI!

I have a strong passion for technology! I love to game and create content via photography, videography, application creation and design and so forth.

**Hobbies:** Coding, Photography, Videography, Cars, Computers, Gaming, Dogs, Camping, Technology, Meeting people.
